Format: DVD Format-1 Year: 2008 Disc Number: 1 Title: The Fast And The Furious: Tide Turned Part 1 Rating: 2.0/10 (1 vote) Director: F. Gary Gray Cast: Vin Diesel, Michelle Rodriguez, Jordana Brewster, Tyrese Gibson, Dwayne "The Rock" Johnson, Neal McDonough, Larry King, Ludacris, I-Ming Lee, Kiefer Sutherland, Michael Madsen, Paul Walker, Robert Forster, Kurt Russell, Frankie Muniz, Corbin Bernsen, Shannon Elizabeth, Sam Jackson, Topher Grace Description: The story begins with Luke Hobbs (Diesel) who with his best friend Rips (McDonough) is driving along the road on their motorcycles. One night they see a biker gang threatening to kill a girl who was captured by the gang. Then Luke and Rips want to help her and a fierce battle takes place between the two gangs. After the battle Luke asks her where she wants to go, and the girl replies: "The ocean." It's a big sea with sand dunes on it, and the sea is so big that you can't see the end of it. When the girl is walking

along the beach, she meets a person who gives her a signal. He shows her how to work the tide, and so she changes the tide. The water washes away the sand dunes, and the girl walks on the water. She's so strong that when the boys try to stop her, she threatens them with her big feet. The water drops down into a castle, and so they make their way to it. There they find seven thugs and a group of girls. The girl puts the zombies to sleep, and the boys prepare the girls for travel. In a hurry, the boat leaves the port. After they have sailed the whole night, they fall asleep in the cabin. The zombies wake up and they start to eat the people, and there are two boys left. The girl wakes up and she thinks that Luke is one of them, but she falls into a trap.
