### About This Content

The Chronicle Edition adds a plethora of content outside of the game for players to use and read.

This DLC makes all latest additions outside of the game easy to access, all packaged up into one DLC - as well as lots of extras!

## Installing and Using the Chronicle Edition

- 1: Click "Download", the game will open.
- 2: Close the game, and go over to White Pearl in your Steam Library.
- 3: Check the DLC content for it to install. It may install automatically.

To access the DLC:

- 1: Right click on White Pearl in your Steam Library, and select "Properties".
- 2: Click "Browse Local Files".
- 3: DLC contents are within the DLC highlighted folder.

## What's in the Chronicle Edition?

- **NEW Asset Package** - contains unused and cut content from the game - as well as some raw assets from the game which players may use/view.  
*Development footage and screenshots are also included.*
- **UPDATED Official Guide** - now containing Story & Optional Content walkthrough, written by Firefly130984. Corrections have been made to the guide too.

**New content will probably be added to this DLC in the future**, depending on what else players would like to see.
